**Our care has a strong focus on the social aspect of life, ensuring the people we support enjoy our company and feel fulfilled. We support people to take part in leisure activities and enjoy life. We also support people with the more practical side of life, such as providing personal care, medication administration, cleaning and meal preparation.**

**These values underpin everything that we do:**

- EnhanceAble values inclusion; we believe that diversity adds richness to our service
- We see every person as unique; we recognise that everyone's needs are different
- We are creative and innovative; we constantly look for new and better ways to work
- We are flexible and adaptable; we recognise that people's needs continually change

If you share our philosophy and have a passion and commitment to working professionally within social care we would love to hear from you.
